**May ,** Woodcraft Turning Competition, Richmond

**May 27-29,** David Ellsworth, Richmond

**Nov,** VA Symposium, Fishersville

**More Party Photos**

**Pay Your Dues  
ASAP**

The Christmas Party was well attended. Once again all the chairs were used and we still had people standing. It was good to see the other half of our membership and a possible future member too. The food was great and kept on coming from the late arrivals.

**Meeting Vibrations**

We pickup some new members at the party and a rider for Guy's trip here.

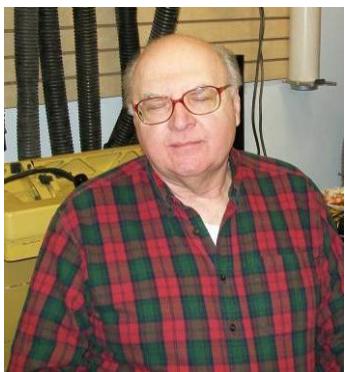

Voting for 2010 officers will happen at the Jan meeting and new board members will start immediately.

\$450 was collected from Christmas Silent Auction. Remember that Jim Marstall will be hosting monthly silent auctions. So, you don't have to hold on to all that unwanted stuff for a year any more.

Dick wants the membership to know that starting this month books & DVDs rental will be \$2 per month per unit.

2010 dues are being collected. Get them in so you don't miss an issue of the newsletter.

## More Party Photos

## SHOW & TELL

**Passing of the  
Gavel to the Past  
President**

## Officers for 2010

	Dan Luttrell	(804-271-4799)
	David Sterling	(804-755-6087)

## Visitors / New Members:

### New Members:

Bob Silkensen, Colin Smith, Robert Gundel

40 members have not paid their club dues

## **Reaction with cotton**

Applying cyanoacrylate (CA glue) to materials made of cotton or wool (such as cotton swabs, cotton balls, and certain yarns or fabrics) results in a powerful, rapid exothermic (ed. release of heat) reaction. The heat released may cause minor burns, and if enough cyanoacrylate is used, the reaction is capable of setting the cotton product in question on fire, as well as releasing additional irritating vapor in the form of white smoke. M.S.D.S. for cyanoacrylate instruct users not to wear cotton or wool clothing, especially cotton gloves, when applying or handling cyanoacrylates. Jim Marstall

**Dues:** \$25 individual, \$35 family & \$15 student. Member applications are available upon request at meetings or via email.

**Library:** Contact the club librarian to borrow tapes and other publications related to woodturning for only **\$2 per month starting 2010**. Loose it and you bought it

**AAW Membership:** Dues are \$48 per year. For this, you receive 6 issues of "The American Woodturner" (a \$30+value), a great resource directory (over 450 pages), a huge annual symposium, personal grant opportunities, third party liability protection, and much more. If you are the least bit serious about woodturning, you can't afford to miss out on all this.

2010: AAW Symposium June in Hartford, Connecticut.

## VA / AAW News

Have you gone on line to fill out your AAW membership survey yet? You have until Jan 30. A PDF file was sent with this email newsletter for your benefit. Aren't on line yet? Contact Lee for a printed copy (14 pages).

## FOR SALE, BUY, or TRADE

Ray Deyo offers a 10% discount on non-power tools and supplies on meeting nights at Woodcraft for members only. Another very good reason to join us every month!

### FOR SALE:

Roy Tedesco decided to sell some tools that he is not using. He needs space in his shop, and thought he would offer these to the Club members before placing them on Craigslist. Roy can be contacted by e-mail, [rstal1@aol.com](mailto:rstal1@aol.com) or by cell (804) 370-0506.

**Delta 14" bandsaw** with closed stand, separate rolling base, 12" riser block, Carter guides and whatever blades I have for it. It is in good condition and has been retrofitted with enhanced dust collection abilities. The saw alone retails for \$650. I'm asking \$500.

**Multico PM 20 bench top mortiser** with 3/8" hollow chisel. This was the Cadillac of mortisers when I bought it. Lightly used and in great condition. I'm asking \$450 and believe it retails for more than twice that price.

**Campbell Hausfeld 20 gallon, 4.5 hp cast iron compressor.** Great machine that has gotten lots of use in my shop. I'm asking \$150.

### Silent Auction:

Don't forget to bring some items for donation at the Club's new *Monthly Silent Auction Table*. Wood blanks are really appreciated by the membership along with tools and accessories. Some of the items that will be featured at the table in the future are pictured below. All proceeds go to the club treasury.

Ryobi VRS  
Drill with case

Craftsman Wet  
Wheel Sharpener

Single phase motor  
14Hp 1725 rpm
