Sharpening Demo

Thanks to all for a great sharpening demo. Aage did it again. I was too busy getting my tools sharpen to take notes. So forgive me if I leave out a name. Danny, Dean and Dick gave small demos on the use of tools. In the other room Aagee had 4 members set-up with sharpening tools. Barbara brought her diamond wheel, which gathered a lot of interest and did a great job on my favorite dull tool. I even got my mini-tools sharpen by another member. I have no excuses not to turn a few items for the Woodcraft Turning Competition in May. Entry forms & turning must be delivered to Woodcraft no later than Thursday, May 2. More photos on page 2

Subject: SE AAW chapter presidents' help requested- re: GAW's Turning Southern Style XIX Symposium - Sept. 20 - 22

I am the symposium chairman for Georgia Association of Woodturners (GAW), and I could use your help.

Hopefully you have received you own copy of the attached invitation to our Turning Southern Style symposium. I turns out that many of your club members probably have not. I found that over 1/3 of the invitations I just sent to turners in the southeast were not delivered due to "invalid email address". This could be caused by spelling errors, but usually it is due to the email address having been changed. In 3 days, I have already received 7 calls from guys asking "why wasn't I invited?", only to find that their invitation had been sent to an old email address.

We really believe this will be our most informative and enjoyable symposium in 19 years... great demonstrators, the largest number of Vendors we've ever had, and a great new location. To ensure that your members know about our symposium, would you please do these two things; - forward this email to your club members. They can follow the links in the attached invitation to our event website and registration form.... (or use this [Symposium Website link](#)), - tell club members that if they did not receive their own copy of our invitation, but would like to receive invitations to our events in the future, they can click on this [link](#) to provide their contact information to GAW. Its quick and easy, and their information is safe with GAW. We do not share it with anyone else, and will only use it to send invitations to our events. If you or your members have any questions, please call me.

Thank you, Jim Hardy (770) 992-4195- home
